Notes:

- Personal clothing and supplies must fit in the storage space provided; prefects may send home or confiscate items that do not fit.
- Because of space limitations, fire regulations, electrical load, and ease of daily cleaning by the maintenance staff, no personal microwave ovens, cooking appliances, refrigerators, televisions or large music systems are permitted. Microwaves and TV's with cable are available in each hall's common room.
- Students are allowed to bring iPods, cell phones, tablets, laptops and video games. However, they must follow the rules established by each prefect regarding the use of these items. Prefects reserve the right to confiscate these items if students abuse the rules.
