Saint Stanislaus Selects Sam Doescher to Lead Advancement Efforts

Bay St. Louis, MS — Saint Stanislaus is proud to announce the promotion of Sam Doescher to Advancement Director, effective immediately.

Sam assumes this role after many years of dedicated service to Saint Stanislaus. During his tenure, he has served with distinction as Camp Director, Alumni Director, and in residential life, where he built strong connections with students, families, alumni, and supporters. These experiences have enabled him to develop deep, lasting relationships across the Saint Stanislaus community, particularly with Saint Stanislaus' major donors and alumni.

Following the departure of Joseph Lee, Sam has successfully led Saint Stanislaus' advancement efforts, demonstrating effective leadership, strategic vision, and a strong commitment to the mission of Saint Stanislaus. His proven success and passion for the institution position him well to further strengthen fundraising initiatives and expand advancement programs.

"We are excited to see the continued growth and momentum Sam will bring to our fundraising events and advancement efforts," said Gary Blackburn, President of Saint Stanislaus.

Please join us in congratulating Sam Doescher on this well-deserved promotion.
